Facts about St. Patrick's Day Holiday

- **St. Patrick's Day is observed on March 17** because that is the feast day of St. Patrick, the patron saint of Ireland. It is believed that he died on March 17 in the year 461 AD. It is also a worldwide celebration of Irish culture and history. St. Patrick's Day is a national holiday in Ireland, and a provincial holiday in the Canadian province of Newfoundland and Labrador.
- **In Ireland on St. Patrick's Day**, people traditionally wear a small bunch of shamrocks on their jackets or caps. Children wear orange, white and green badges, and women and girls wear green ribbons in their hair.
- **Many cities have a St. Patrick's Day parade.** Dublin, the capital of Ireland, has a huge St. Patrick's Day festival from March 15-19, that features a parade, family carnivals, treasure hunt, dance, theatre and more. In North American, parades are often held on the Sunday before March 17. Some paint the yellow street lines green for the day! In Chicago, the Chicago River is dyed green with a special dye that only lasts a few hours. There has been a St. Patrick's Day parade in Boston, Massachusetts since 1737. Montreal is home to Canada's longest running St. Patrick's Day parade, which began in 1824.

Facts about Clovers

- **According to the Guinness Book of World Records**, the highest number of leaves found on a clover is 14!
- **One estimate suggests** that there are about 10 000 regular three-leaf clovers for every lucky four-leaf clover.
- **Legend says that each leaf of the clover means something:** the first is for hope, the second for faith, the third for love and the fourth for luck.

NEW for 2011 – Home Run Derby!

MEMORIAL DAY WEEKEND – 2011

Its that time of year again! We are in the process of organizing the 3rd Annual Cedarfield Co-Ed Neighborhood Softball Tournament to be held Memorial Day weekend! Last year we had the best turnout yet with 4 teams and close to 60 players. Henderson Hill took home the trophy and I'm sure they will be back to defend their title! We seem to have found a "home" on the smaller softball field behind Bradley Middle School, so that is where this year's tournament will be held. New for 2011 will be our 1st annual Home Run Derby, details to come!

If you have an interest in putting a team together that consists of Cedarfield I & II and Cedar Park homeowners/residents/neighbors please let us know. I will be putting a sign up sheet on the website. If we have enough teams, we'll have a double elimination tournament to see who wins this year's Cedarfield championship and takes home the trophy! Stay tuned.....

Cedarfield II HOA Board Meeting Minutes— February 2011

Meeting was postponed until March.

March meeting scheduled for
March 9 at 7:00 pm at
12810 Angel Oak Drive Huntersville

I want to personally thank the volunteer CII Board members and various other individuals that serve in our community. Did you know that it takes significant effort to ensure that the business of the community is conducted responsibly? Did you know that invoices must be approved, contracts must be negotiated and administered, repairs made, vendors sought and sometimes released when they do not perform as promised, budgets must be prepared, in addition to addressing individual issues that arise from the 405 homes within Cedarfield II? All of this is done by some of your neighbors. Have you thought about the fact that it takes dozens of helpers to make community events happen like pool parties, Easter Egg hunts, Halloween events? Similarly, it takes much effort to organize and administer the community swim team? Volunteers even design and maintain our CII website. Many of these volunteers sacrifice their time every month, and most of the time their labor is not widely recognized. Perhaps you know a Board member. How about thanking them along with the many individual volunteers that labor to keep our community as nice as it is, and for protecting the investment in our homes? How about stepping up to the plate and serving as a Board member, and giving back to our community as a volunteer. The current Board needs help, and you are being called to pitch in. As a former Board member, I can say that the rewards come not from all the accolades, or perks, but from contributing to something that is for the greater good, and knowing that perhaps you made things a little better. How about committing to making a difference right here in Cedarfield?
